WELCOME!

Happy New Year to all of you! Thank you for taking the time to read what exciting things are happening at the LDCC – Jonesboro Campus. First, we hosted Welcome Back Week for our students by serving them a lunch as well as goody bags on their first day. While classes have been actively underway, our campus has been fortunate to host many events and workshops for the community such as the Jonesboro Police Department's Annual Christmas party, Parish High School Counselor Professional Development Day,

and Jackson Parish School Board Jumpstart WorkKeys Preparation Workshop. We are also excited to announce that Louisiana Delta Community College was selected to host the SkillsUSA State Competition at two of our campuses: Monroe and West Monroe. More details can be found [here](#).

For any other questions, please feel free to contact us at 318-480-5000 or email me at nadjahaynie@ladelta.edu. We look forward to hearing from you and seeing you on our campus!

Sincerely, Nadja Haynie, CTE Coordinator

Faculty Spotlight – Donnie Snead, IMT Instructor

1. What made you interested in teaching?

-After retiring from working 40 years at WestRock, I chose the path of teaching because I saw the industry need to educate our next generation of workers for Industrial Maintenance.

What is the starting out salary for Industrial Maintenance?

-\$18.75 per hour

3. What is something students don't know about the program?

-They might not realize that learning about Industrial Maintenance and coming to LDCC could get them in a co-op program that pays them to work at WestRock and other industries while enrolled.

4. What message would you give students interested in enrolling in this program?

-Industrial Maintenance is a high demand and high wage job; students have opportunities to get jobs in local industries.

SAVE THE DATE

Career and Technology Expo 2020

Wednesday, February 26 – Thursday, February 27 @ Monroe Campus

All High School Students are invited to meet with Employers in our region. For any questions, please contact Michael Anderson at Michaelanderson19@ladelta.edu or 318-345-9261! See you there!
